

MTD

Multi-Temp Detergent

Product Number 4213

Description

A concentrated liquid detergent designed for multi-temperature dishwashing. Quickly emulsifies food particles and oily soils from plates and eating utensils. Should not be used on soft metals. Use caution when handling this product. Rubber gloves and a face shield are recommended when changing in-take tubes.

Directions

Do not use this detergent on soft metals, aluminum, pewter, or silver. Scrape excess soils from dishes and flatware. Rack dishes properly to increase efficiency of dish washer. Wash using this concentrated detergent. Sanitize as required. Allow kitchenware to air dry. Remove from rack and place kitchenware in sanitary holding area.
