

Pan Wash

Heavy Duty Non-Chlorinated Mechanical Detergent

Product Number 4356

Description

A concentrated liquid detergent designed for mechanical washing only. This product is not designed for use as a soaking solution. Quickly emulsifies food particles and oily soils from plates and eating utensils. Use on most kitchenware including pans, trays and utensils. Use caution when handling this product. Rubber gloves and a face shield are recommended when changing in-take tubes.

Directions

Best results are obtained when wash temperature is maintained above 140°F. Scrape excess soils from dishes, pans and flatware. Rack dishes and pans properly to increase efficiency of dishwasher. Wash using this concentrated detergent. Sanitize as required. Allow kitchenware to air dry. Remove from rack and place kitchenware in sanitary holding area.
