

# Solid Suds

## Solid Manual Dishwash

Product Number 4432

### Description

This solid, high foaming detergent is perfect to use in every kitchen. Dispenses a rich portion of detergent without waste. Works quickly to clean plates, glasses, dishes, pots, pans, utensils, and equipment. Suspends greasy soils to allow for easy rinsing without leaving a slippery residue. Very economical to use while taking up less storage space. Controlled pH assures safety for employee handling. Pleasantly fragranced.

### Directions

This product should be dispensed only from equipment designed specifically to handle solid capsule detergents. Remove cap and place inverted capsule into bowl unit. Set the detergent timer to flush an adequate amount of water against block and flow into sink. Fill the remainder of the sink with warm/hot water. Wash kitchenware in sink. Rinse and sanitize as required.

For pots and pans that require extra soaking, direct detergent solution into sink and fill with warm to hot water. Place pots and pans into sink and allow soaking until the soils can be easily removed.

### Technical Data
