

Pine Klenz

Concentrated Pine Oil Cleaner and Deodorizer

Product Number 4506

Description

A concentrated cleaner and deodorizer containing pure pine oil. Helps to clean and deodorize in one easy step. Emulsifies grease and grime for quick cleaning. Perfect for use in bathrooms, kitchens, laundry rooms, machine shops, and any area where dirt and odors are a problem. Cleans without streaking. Leaves a pleasant pine fragrance to let you know that surfaces are clean.

Directions

GENERAL CLEANING: Use 1-2 ounces per gallon of warm water to clean floors, walls, fixtures, equipment, bathroom surfaces, and other washable surfaces. Cleans without streaking and leaves a pleasant pine fragrance.

FLOORS: Mix 2-4 ounces per gallon of warm water into bucket for cleaning tough soils from floors, concrete, sidewalks, and wood. Heavily soiled floors may require rinsing.

DEODORIZING: Mix at a rate of 1 part Pine Cleaner to 5 parts water into a spray bottle. Shake bottle to mix. Use to deodorize bathrooms, kitchens, laundry rooms, or any room that has malodors. Do not use in rooms in which food is manufactured, processed, or stored.

TOILET BOWLS: Pour 4 ounces into bowl or urinal and swab with a bowl mop to clean. Leave solution to soak for a few minutes to destroy foul odors.
