

Breakthrough

Heavy Duty Degreaser

Product Number 4511

Description

An alkaline degreaser perfect for use in food service applications, industrial plants, automotive shops, food processors, municipalities and laundry rooms. Removes grease, grime, dirt, oily stains, and more from many surfaces. Use on floors, walls, oven hoods, exterior surfaces, vehicles, fabrics, machinery, equipment, and more. Can also be used as an effective laundry spotter. Apply to surfaces with sponge, mop, spray bottle, or pour onto floors. Heavy soil areas may require a clear water rinse.

Directions

FLOORS, WALLS: Use at a rate of 1-2 ounces per gallon of water for light to medium soils. Apply to surfaces with a mop, sponge, or rag. Agitate and rinse with clear water.

GENERAL CLEANING: Mix with equal parts of water into a spray bottle for use as a general purpose spray cleaner. Apply to surfaces and wipe clean. Does not require rinsing.

LAUNDRY SPOTTING: Apply undiluted to stain and allow soaking. Wash as usual. Test in an inconspicuous area for color-fastness.

VEHICLE WASHING: Mix with equal parts water to use as a white wall cleaner and general degreaser. Spray onto surfaces and agitate with a brush. Rinse with clear water. Do not allow product to dry onto surfaces.

Technical Data

Form	Liquid	pH (1% solution).....	11.4-12.4
Color	Clear, Violet	Viscosity	Light
Scent.....	N/A	Density	8.77 pounds/gallon
Foam.....	Low-Moderate		

Product Category: General Purpose Cleaners/Janitorial

DOT Shipping Name: Corrosive Liquid, Basic, Inorganic, N.O.S., (Contains Sodium Hydroxide), 8, UN3266, II

Cautions

Contains sodium hydroxide. Do not ingest or allow contact with skin or eyes. If ingested: Drink plenty of water and get medical attention immediately. Do not induce vomiting unless instructed by a physician to do so. Never give fluids to an unconscious person. In case of eye contact: If contacts are worn, remove and dispose of them, then raise eyelids and flush eyes with clear water for 15 minutes making sure to flush under eyelids. Get medical attention immediately. In case of skin contact: Remove contaminated clothing. Flush skin areas with clear water, then wash with a mild soap. If irritation occurs, get medical attention. In case of inhalation: Move victim to fresh air. Get medical advice. Refer to your Material Safety Data Sheet for additional cautions and handling procedures.
