

Sapphire

All Purpose Solid Laundry Detergent

Product Number 4536

Description

A multi-purpose solid laundry detergent designed for use on light to medium soils. May be used in conjunction with destainers to provide excellent results. Sour if necessary to yield a final pH of 5.5 to 6.5. This product is safe for use in home-style and commercial machines. Pleasantly fragranced.

Directions

This product should be dispensed only from equipment designed specifically to handle solid capsule detergents. A direct feed dispenser is recommended. Remove cap and place inverted capsule into bowl unit. Set the detergent timer to flush an adequate amount of water against block and flow into laundry machine. Consult your service technician for exact usage amount. Typical product usage is ½ to 1 ounce per load (30-50 pounds). Product will produce more foam in commercial front loading washers. The foam will be less when used in home style top loading machines.
