

OptiBlend #16

Peroxide Cleaner

Product Number 4004

Description

Unique non-corrosive multipurpose cleaner fortified with hydrogen peroxide. Quickly cleans and brightens without harsh fumes. Use on floors, walls, grout, countertops and just about all kitchen and bathroom surfaces. Removes soap scum and stains from tubs and showers. Perfect for spray applications and bucket/mopping usage. May also be used for pre-treating carpet stains and carpet cleaning.

Directions

Designed for use in the OptiBlend Dilution Control System. Remove shipping cap from concentrated container. Place container into a properly marked OptiBlend rack. Secure the specially designed cap adapter onto the bottle, making sure the dispensing tube corresponds with that product. Product is now ready to dispense. See your service representative for setting automated dilution. Amount used will depend upon item cleaned and soil amount.

GENERAL CLEANING: (walls, counters, tabletops, bathroom surfaces): Use at a rate of 2-3 ounces per gallon of water. Apply to surfaces via spray bottle and wipe with a clean cloth. **GENERAL MOPPING:** (light to medium soil level on floors): Mix at 2-3 ounces per gallon into mop bucket and apply to surface. **CARPET STAINS & CLEANING:** Apply via spray bottle at a concentration of 2-3 ounces per gallon for pretreating heavy traffic areas and stains. May also be used at a rate of 1 ounce per gallon in carpet extractor units. Mix with cold to warm water into solution tank. **HEAVY DUTY CLEANING:** Mix at a rate of 5 ounces per gallon of water and apply to surfaces with spray bottle or mop. Wipe and rinse as necessary. **LAUNDRY PRETREAT:** Mix at a rate of 7 ounces per gallon and apply to stains via a spray bottle. Wash linens as normal.
