

# Power Green

## Liquid Mechanical Detergent

Product Code 4110

### Description

Safer Choice-certified product when used in a Dilution Control System. Utilizing the latest advances in formulating technology, we have designed a product that can be used in high and low temperature applications as well as hard and soft water. Helps to minimize your delivery and inventory costs as well as storage space. Quickly emulsifies greasy soils for easy removal. Rinses quickly and easily from surfaces. The product is environmentally preferred as it does not contain phosphates or NTA! Do not use on aluminum or soft metals.

### Directions

Designed only for use in the ConQuest system. Our easy to handle container is designed to eliminate the difficulties associated with the handling of heavy pails and drums.

Remove shipping cap from concentrated container. Place container into a properly marked ConQuest rack. Secure the specially designed cap adapter onto the bottle, making sure the dispensing tube corresponds with that product. Product is now ready to dispense. See your service representative for setting automated dilution.

Amount used will depend upon item cleaned and soil amount. Typical use is 2 – 4 ml per gallon.

### Technical Data

Color.....	Dark Brown	pH (1% solution).....	>12
Scent.....	Mild	Viscosity.....	Medium
Biodegradable.....	Yes	Density.....	10.0 lbs./gallon

**Product Category:** Warewash/ Mechanical Washing

**DOT Shipping Name:** UN 3266, CORROSIVE LIQUID, BASIC, INORGANIC, N.O.S., (CONTAINS SODIUM HYDROXIDE), CLASS 8, PG II.

### DANGER

**HAZARDS:** Causes severe skin burns and eye damage. **PRECAUTIONS:** Wash hands thoroughly after handling. Wear protective gloves and eye protection.

**RESPONSE/FIRST AID:** Have product container or label with you when calling poison control center or physician. **IF SWALLOWED:** Rinse mouth. Do NOT induce vomiting. Immediately call a POISON CENTER or physician for treatment advice. **IF ON SKIN (or hair):** Remove immediately all contaminated clothing. Rinse skin with water/shower. Wash contaminated clothing before reuse. **IF IN EYES:** Rinse cautiously with water for several minutes. Remove contact lenses, if present and easy to do. Continue rinsing. Call a poison control center or physician for treatment advice. **IF INHALED:** Remove victim to fresh air and keep at rest in a position comfortable for breathing.

**STORAGE & DISPOSAL:** Store locked up. Dispose of contents/container to trash after rinsing container.
