Institutional Injection Laundry Detergent

Product Number 4168

Description

A highly concentrated detergent for use in automatic injection systems. A mild blend of surfactants designed to yield cleaner and brighter linens. Contains no harsh ingredients and can be used without a sour stage. Suspends soils for easy rinsing. Can be used in conjunction with a liquid break solution. For institutional and industrial use.

Directions

Sort laundry by fabric type and soil load. Presoak and/or prespot if necessary. Load wash machine with linens. Do not overload. Dispense product directly from shipping container into the wash cycle. Consult your service technician for exact usage.
