

# Zero Kleen

## Freezer Floor Cleaner

Product Number 4204

### Description

This water soluble cleaner is perfect for use in floors in coolers, freezers and all other cold storage areas. Removes most soils and grime. Helps to control odors.

### Directions

When used as is, this product may be used in temperatures as low as -18°F. For additional economy, product may be diluted with water. At a dilution rate of 1:1 with water, the product may be used in temperatures as low as 22°F. Sweep trash and loose soils from floor. Apply product from mop bucket with dry mop. Allow a minimum of 10-15 minutes working time. Scrub heavily soiled areas. Remove excess product from floor with mop and then dry mop again.
