

EcoFirst Crystal Solid Rinse Additive

Environmentally Preferred Solid Warewash Drying Agent

Product Code 4656

Description

This product utilizes the latest ingredients that are less hazardous to environment without sacrificing performance. A concentrated solid drying agent designed for use in both hot and low temperature dish washing. Provides for rapid rinsing and spot-free drying. Effective in a wide range of water conditions. Safe on all dish machine surfaces and components. Designed specifically for use in solid rinse dispensers. Not for use in household dish washers. EPA Safer Choice certified.

Directions

This product should be dispensed only from equipment designed specifically to handle solid capsule products. Before loading dispenser, dish machine should be in the off position to prevent accidental water spray from contacting kitchen personnel. Your service technician will set your concentration to yield proper results. Wash temperature should be at least 140-150°F (60-68°C). Change water when noticeably dirty. For proper sanitizing in hot temp applications, rinse water should be maintained at 180-190°F (82-90°C). In low temp applications, this product is compatible with chlorine sanitizers.

Technical Data

Color	Opaque, Blue	Biodegradable	Yes
Form	Solid	pH (1% solution)	7.2-7.5
Scent	N/A		

Product Category: Warewash/Mechanical Washing / **DOT Shipping Name:** Compound, Cleaning, Solid

HAZARDS & PRECAUTIONS: No GHS phrases apply.

RESPONSE/FIRST AID: Have product container or label with you when calling poison control center or physician. **IF IN EYES:** Rinse cautiously with water for several minutes. Remove contact lenses, if present and easy to do. Continue rinsing. If eye irritation persists, get medical advice/attention. **IF SWALLOWED:** Rinse mouth with water. Call a Poison Control Center or doctor for advice if you feel unwell. **IF ON SKIN:** Take off contaminated clothing. Wash with plenty of soap and water. If skin irritation occurs, get medical advice/attention.

STORAGE & DISPOSAL: No GHS phrases apply. Dispose of contents & container to waste after rinsing according to local/state regulations. Refer to the Safety Data Sheet for additional information.
