

# EcoFirst Lime Safe

## Environmentally Preferred Lime Scale Remover

Product Number 4658

### Description

This product utilizes the latest ingredients that are less hazardous to environment without sacrificing performance. Designed to rid the dishmachine of scale and lime formations due to hard water precipitates. This balanced product works quickly to brighten internal surfaces and leave them sparkling. Contains special surfactants that degrease internal surfaces of machine. EPA Safer Choice certified.

### Directions

Drain, flush, and clean out dish machine. Pull screens and flush to clean. Disconnect dispensing equipment to prevent the addition of detergent during descaling operation. Close drain of dishmachine. Add 1 ounce of delimer per gallon of water capacity for the dishmachine. Fill machine to normal operating level with hot water. Run machine in manual mode for up to 5 minutes. Check to see if lime scale is being removed. If this is an initial treatment or there is a severe lime problem, increase the amount of delimer being used. Drain dishmachine and flush thoroughly with clear water. Fill dishmachine and run through a normal operating cycle. Drain and flush again. Engage the dispensing equipment. **DO NOT USE WITH OR STORE NEAR CHLORINE BLEACH.**

### Technical Data

Form.....	Liquid	Foam.....	None
Color.....	Clear, Tan	Viscosity.....	Medium
Scent.....	None	Density.....	8.75 lbs./gallon
pH (1%).....	<2.0		

**Product Category:** Warewash/Mechanical Washing  
**DOT Shipping Information:** Compound, Cleaning, Liquid

#### WARNING

**HAZARDS:** Causes serious eye irritation.

**PRECAUTIONS:** Wash hands thoroughly after handling. Wear protective gloves & eye protection.

**RESPONSE/FIRST AID:** Have product container or label with you when calling poison control center or physician. **IF IN EYES:** Rinse cautiously with water for several minutes. Remove contact lenses, if present and easy to do. Continue rinsing. If eye irritation persists, get medical advice/attention. **IF SWALLOWED:** Rinse mouth with water. Call a Poison Control Center or doctor for advice if you feel unwell. **IF ON SKIN:** Take off contaminated clothing. Wash with plenty of soap and water. If skin irritation occurs, get medical advice/attention. **IF INHALED:** Move victim to fresh air. Get medical advice.

**STORAGE & DISPOSAL:** No GHS phrases apply. Refer to the Safety Data Sheet for additional information.
