

Rinse Clear HW

Heavy Duty Rinse Additive for Hard Water

Product Number 4730

Description

A concentrated, liquid drying agent designed for hot temperature dishwashing in hard water areas and in high total dissolved solids (TDS) conditions. Helps to minimize the effects from poor water conditions and reduces film build-up on internal surfaces of dish machine. Allows water to sheet from kitchenware without causing spots or streaks. Speeds drying time.

Directions

Designed only for use in the ConQuest system. Our easy to handle container is designed to eliminate the difficulties associated with the handling of heavy pails and drums.

Remove shipping cap from concentrated container. Place container into a properly marked ConQuest rack. Secure the specially designed cap adapter onto the bottle, making sure the dispensing tube corresponds with that product. Product is now ready to dispense.

See your service representative for setting automated dilution. Amount used will depend upon item cleaned and soil amount.

Technical Data

Color	Clear, Blue	pH (1% solution)	3.3-3.5
Scent.....	N/A	Viscosity	Medium
Biodegradable.....	Yes	Density	8.65 lbs./gallon

Product Category: Warewash/Mechanical Washing

DOT Shipping Name: Compound, Cleaning, Liquid

Response/First Aid

Have the product container or label with you when calling poison control center or physician. **IF ON SKIN (or hair):** Wash with plenty of soap and water. Take off contaminated clothing and wash before re-use. If skin irritation occurs, get medical advice/attention. **IF SWALLOWED:** Rinse mouth. Do NOT induce vomiting. Immediately call a POISON CENTER or physician for treatment advice. **IF IN EYES:** Rinse cautiously with water for several minutes. Remove contact lenses, if present and easy to do. Continue rinsing. Call a poison control center or physician for treatment advice. If eye irritation persists, get medical advice/attention.

STORAGE & DISPOSAL: No GHS phrases apply. Refer to the Safety Data Sheet for more information.
