

Concentrated Dish Detergent

Product Number 4842

Description

A well formulated detergent intended to quickly emulsify soils and soften dried on food. Attractive appearance and odor will make the user think they have a national brand product in their sink! Leaves wares clean and streak free.

Directions

Add to wash sink at a rate of 1-2 ounces per 8-10 gallons of water. Use warm to hot water to help soften soils. Prior to cleaning, scrape or remove gross debris. After washing, rinse thoroughly and sanitize if required. Change sink water when foam disappears or when heavy soils have accumulated in sink.
