

# OptiBlend #15

## Mild Acid Cleaner

Product Number 4926

### Description

An excellent mild acid cleaner that can be used on most non-porous surfaces. Removes soap scum and hard water deposits from showers and other restroom surfaces. Removes hard water scale, stains, and rust deposits from toilet bowls and urinals. Safe if applied, rinsed and wiped dry from all metals including aluminum, brass, copper and galvanized iron. Contains no solvents. Pleasantly fragranced.

### Directions

Designed for use in the OptiBlend Dilution Control System. Our easy to handle container is designed to eliminate the difficulties associated with the handling heavy pails and drums. Remove shipping cap from concentrated container. Place container into a properly marked OptiBlend rack. Secure the specially designed cap adapter onto the bottle, making sure the dispensing tube corresponds with that product. Product is now ready to dispense. See your service representative for setting automated dilution. Amount used will depend upon item cleaned and soil amount. Typical dilution ration is 1:64 to 1:27.
