## Oven Cleaner Degreaser

Product Number 4956

### Description

This highly alkaline liquid goes to work quickly to remove stubborn soils that form on griddles, ovens, hoods, and fryers. Contains water conditioners and surfactants that allow for fast penetration. Helps rid surfaces of unpleasant odors that can affect the taste of foods. This thick, clinging formula allows for longer contact time when sprayed on vertical surfaces.

### Directions

Due to the strong alkali detergents in this product, protective eye wear, rubber gloves and an apron are required. Wipe off loose, burnt on soil. Set oven, griddle, or grill warm (not hot). Carefully spray on product and allow to soak for 15 minutes before wiping. Heavy soils may require a second application. After cleaning is complete, rinse surfaces with clear water followed with a dilute solution of vinegar or lemon juice. Rinse again with clear water.

### Technical Data

Form .....	Liquid	Foam .....	Low
Color .....	Clear, Tan	Viscosity .....	Medium
Odor .....	Mild Surfactant	Density .....	9.674 lbs./gallon
pH (1%).....	12.0+		

**Product Category:** Warewash/Mechanical Washing

**DOT Shipping Name:** UN 3266, CORROSIVE LIQUID, BASIC, INORGANIC, N.O.S., (CONTAINS SODIUM HYDROXIDE), CLASS 8, PG II

#### DANGER

**HAZARDS:** Causes severe skin burns and eye damage.

**PRECAUTIONS:** Wash hands thoroughly after handling. Wear protective gloves and eye protection.

**RESPONSE/FIRST AID:** Have product container or label with you when calling poison control center or physician. **IF SWALLOWED:** Rinse mouth. Do NOT induce vomiting. Immediately call a POISON CENTER or physician for treatment advice. **IF ON SKIN (or hair):** Remove all contaminated clothing. Rinse skin with water/shower. Wash contaminated clothing before reuse. **IF IN EYES:** Rinse cautiously with water for several minutes. Remove contact lenses, if present and easy to do. Continue rinsing. Call a poison control center or physician for treatment advice. **IF INHALED:** Remove victim to fresh air and keep at rest in a position comfortable for breathing. Seek medical advice if feeling unwell.

**STORAGE & DISPOSAL:** Store locked up. Dispose of contents/container to trash after rinsing container.
